Be a responsible user of anhydrous ammonia and attend a 2019 NH3 Workshop. This program includes a combination of demonstrations and presentations that will cover the characteristics of anhydrous ammonia, facility safety, emergency response and product handling. Learn from the best and brightest in the NH3 field. Individual speakers will provide input on their specific areas of expertise.

Each attendee will receive a certificate of attendance as proof of training to include in personnel files. Additionally, each attendee will take an exam at the end of the training day. The certificate will be sent by email to be retained for training files.

Consider sponsoring your community fire-fighters, law enforcement, and emergency responders to attend and hear important information about responding to NH3 accidents!

REGISTER TODAY!

\$75 - MEMBER
\$100 - NON-MEMBER

Please return to: KARA
 816 SW Tyler, Suite 100 Topeka, KS 66612
 (785) 234-0463 Fax (785) 234-2930
