2019 KARA Winter Update

Overview This conference will provide the latest research and technological advances in the crop production industry. The presentations will include the latest technology on weed and insect control, fertilizer and chemical recommendations, soil fertility concerns and much more.

Who Should Attend This course is recommended for individuals in agribusiness who are involved in making recommendations to producers.

Registration The registration fee is \$65 for KARA members and CCAs, and \$100 per non-member (this includes lunches, refreshment breaks, materials & meeting costs). To ensure an adequate lunch count, pre-registration is strongly encouraged. **Provide your email address for program updates and a credit card receipt.** All cancellations must be received at least 24 hours before the start of the event. No refunds will be made for requests received after that time. Cancellations must be received by phone at (785) 234-0463 or email at lisa@kansasag.org. Refunds will be issued in the same form payment was made. Please allow two weeks for processing. Registrants who cancel will not receive seminar materials.
